§ 614.15 Payments to States.

(a) *State entitlement.* Each State is entitled to be paid by the United States with respect to each individual whose base period wages included Federal military wages, an amount bearing the same ratio to the total amount of compensation paid to such individual as the amount of the individual's Federal military wages in the individual's base period bears to the total amount of the individual's base period wages.

(b) *Payment.* Each State shall be paid, either in advance or by way of reimbursement, as may be determined by the Department, the sum that the Department estimates the State is entitled to receive under the Act and this part for each calendar month. The sum shall be reduced or increased by the amount which the Department finds that its estimate for an earlier calendar month was greater or less than the sum which should have been paid to the State. An estimate may be made on the basis of a statistical, sampling, or other method agreed on by the Department and the State agency.

(c) *Certification by the Department.* The Department, from time to time, shall certify to the Secretary of the Treasury the sum payable to each State under this section. The Secretary of the Treasury, before audit or settlement by the General Accounting Office, shall pay the State in accordance

§ 614.16 Public access to Agreements.

The State agency of a State will make available to any individual or organization a true copy of the Agreement with the State for inspection and copying. Copies of an Agreement may be furnished on request to any individual or organization upon payment of the same charges, if any, as apply to the furnishing of copies of other records of the State agency.

(a) *Administering program.* The Department shall administer the UCX Program through personnel of the Department or through other arrangements under procedures prescribed by the Department, in the case of any State which does not have an Agreement with the Secretary as provided for in 5 U.S.C. 8502. The procedures prescribed by the Department under this section shall be consistent with the Act and this part.
